

Environmental Policy Statement

Arborforce is committed to the identification and management of environmental aspects of its activities and services and minimising the environmental impact to its clients throughout their lifecycle. These services include Arboriculture, project management and consultancy services.

Arborforce aim to:

- Continually improve its environmental performance through the development and achievement of objectives and targets.
- Prevent pollution of the environment and have procedures in place to deal with environmental incidents
- Comply with all relevant environmental legislation and Network Rail / Railway Group / Rail Industry Standards applicable to the company’s scope of supply.
- Improve and integrate environmental management into our business systems working towards ISO 14001:2015 accreditation within the next twelve months.
- Ensure that effective relationships are maintained with industry partners, regulatory bodies and other interested parties.
- Examine our use of resources, plant, and materials, and seek to minimise use and recycle or reuse waste where practicable. All equipment at the end of its life will be disposed of in a responsible manner.
- Involve all staff in the promotion of Arborforce attitude to the environment, through environmental awareness, training and guidance.
- Set and monitor environmental objectives and targets each year.
- Monitor the energy, waste and materials used and ensure they are sourced from responsible and sustainable suppliers.

The transportation and disposal of all wastes will be carried out in a responsible manner with due regard to environmental consideration and all current legislation.

Our investment policy and control measures take into account all national interpretations of the “Best Practicable Environmental Options”.

The Company recognises its legal responsibilities under the Environmental Protection Act and other relevant legislation. The Directors are responsible for the implementation of the Company’s Environmental Policy. This policy shall be briefed to all Arborforce employees and made available to the public. The requirements of this policy shall be reviewed annually.
